*: Een hoog cijfer duidt op een gunstige waardering van de betrokken eigenschap

1) Rubricering conform de Aanbevelende Rassenlijst 2017: A = Algemeen aanbevolen ras; B = Beperkt aanbevolen ras; N = Nieuw aanbevolen ras

2) Tussen haakjes: voorlopige gegevens; B = baktarwe; Vu = vultarwe; bij korrelhardheid betekent een cijfer hoger dan 5: een harde tarwe
